CHIEF STEWARD: Sue Clarke

TB TESTING RAS RULE

For animals from Declared Movement Control Areas:-

1. All Show animals over the age of 90 days are to be tested, and have a clear test within 60 days prior to being moved to the Show.

For animals from C10– status herds in Surveillance Areas

2. No test is required but a clearly dated test allocation form or other documentation from the Animal Health Board must be submitted that shows the herd is not overdue for a whole herd test.

For animals from all other herds and areas

3. If the herd has a C3 status or better, no test is required PROVIDED the last whole herd test was within 12 months prior to the Show.
 - a) If the last whole herd test was not within 12 months of the Show then Show cattle over one year old MUST have a clear test within the current Show season.
 - b) If the herd has a status of C1 or C2, then Show cattle over one year old MUST have a clear test within the current Show season.
